Thu 7th March 2024 - 5.00-7.00pm

Y11s: Information for College & Sixth Form Open Events

We would strongly encourage you to attend as many Open Events as possible if you are considering further studies after your GCSEs. It is your chance to find out as much information you can about the courses on offer and help you make the best choice of further study for you.

Even if you may not be initially thinking of this pathway (for example if you want to do an apprenticeship instead) we could still recommend you visit some of the Open events as it is always a good idea to have a backup plan!

Here are a few things to consider in advance:

- Do some research first – check on the college or sixth form website to see if they offer the courses, you are interested in. You may also find there are courses that may be of interest that you have never thought of before!
- There is no limit on how many open events you can attend – it is a good idea to attend at least 2 or 3 different places so you can make a fair comparison.
- Family members and friends are welcome to attend with you. (Always check college websites in advance in case you need to register!)
- Write down any questions you may have – for example you might have questions about different courses. (An important question to ask is what the entry requirements are (what GCSE grades you might need)). Remember the staff are there to help and support, there is no such thing as a stupid question!
- There is no commitment to apply to a college or sixth form at an open event. (However, please note that application deadlines are typically around Christmas time, please ask if you need any support with this in school.)

Careers Advice & Guidance

All Year 11 pupils will be offered a one-to-one interview with Ms Farooq, the school's Career's Adviser. Appointments will be held from September 2023.

Students will be informed of their appointment date and time via their form tutors.

Ms Farooq is also in school every Wednesday for students to also drop in at lunch and break times in the library to discuss any future plans.
