

Buile Hill Academy

Enriching Lives, Inspiring Ambitions

September 2023

Dear Parent/Carer,

Re: Y7 Student Ambassador Programme

I would like to take this opportunity to inform you about a programme that we are going to begin with Year 7 this term. Every student in Year 7 will be taking part in the Student Ambassador Programme where they will spend a day undertaking a programme of real-life work experience with colleagues in our office and wider support staff team. This is so that students get an opportunity to understand more about our school community and how they can support the wider functioning of the school but also gain real life insight into the transferable skills that are needed to be able to succeed in the world of work.

Students will be informed in the morning of their day and will need to report to the main reception area. They will meet with a senior member of the administration staff who will highlight the duties that they will undertake. They will also be provided with an assessment opportunity which will enable the student to reflect on the experience they have gained.

Once students have completed their day of work experience, they will receive a certificate to acknowledge their achievement.

We are very excited about being able to roll this programme out this year and believe that it is an excellent opportunity to enrich our students' experience and learning while here at Buile Hill.

If you have any further questions regarding this programme, please do not hesitate to contact Miss Woods on 0161 736 1773 or builehillinfo@consilium-at.com.

Thank you for your continued support.

Warm Regards,

Miss Woods

Assistant Headteacher
