

Dear Parent/Carer,

Re: Donations to Salford Food Bank

As part of our continued efforts to provide students with opportunities to make positive contributions to the wider community, I am writing to inform you that we are supporting the local Salford Food Bank this half term with their Harvest appeal.

Salford Food Bank provide nutritionally balanced emergency food and support to local people in crisis. They operate distribution centres across Salford, with teams of volunteers delivering their food and services. So far this year they have seen a 68% increase in the need for food parcels across Salford and are currently providing over 400 parcels each week.

To support with this increased need we are asking families to donate an item or two from the list below to support the local people of Salford who are facing hardship.

You can help by donating an item or two from our shopping list:

- Fruit Juice
- Tinned meat
- Tinned Fish
- Long Life Mily
- Biscuits & Snacks
- Pasta Sauce
- Instant Mash
- Tinned Vegetables
- Jam
- Tinned Fruit
- Cereal
- Instant Noodles

We understand that the current circumstances present difficulties for families and so any help you are able to offer, big or small, will still make all the difference to families in need.

Students are to give any donations to their form tutors during tutor time, who will be collecting items from Monday 2nd October until Friday 13th October.

We know that anyone can reach crisis point and if you need emergency support with food then please reach out to the local food bank on 01616372120 or contact them via email info@salford.foodbank.org.uk

Thank you for your continued support.

Warm Regards,

Miss Woods

Assistant Headteacher
