

This week our staff and students have been out in our local community spreading some festive cheer delivering food hampers, and dropping off warm winter items that were very kindly donated by Manchester United Foundations.

On Tuesday and Thursday this week, two groups of students had the wonderful opportunity to spend the mornings wrapping Christmas presents, as part of The Salvation Army Christmas Present Appeal in Swinton, supporting those who may have very little or nothing under the tree on Christmas morning.

During our visits we discussed in a group what and why the appeal exists and spoke about the positive impact of how just a little bit help from everybody really can go a long way, bringing to life our Academy values of developing a caring, inclusive community where we have concern for others and demonstrate respect for each other.

All students involved behaved impeccably, so much so that we have been invited back to be a part of this special project again next year!

We would also like to take this opportunity to thank The Salvation Army Swinton, Tesco Express Salford and Asda Swinton for their very kind donations helping us to support our local community.
