

Buile Hill Academy

Enriching Lives, Inspiring Ambitions

Dear Parents/Carers

Thank you for your support as we continue to drive standards. Year 10 have embraced the improvements with Maturity and focus.

Year 10 English and Maths Assessments

On Tuesday 22nd April 2024 and Wednesday 23rd April 2024, all year 10 students will sit x2 Maths papers and x2 English papers. In one year's time they will be sitting their GCSE Exams, therefore it is important we know **EXACTLY** where they are up to. These assessments will enable their respective Maths and English teachers to identify gaps in knowledge and we can then focus further intervention.

You will also receive a copy of these marks in due course.

Please ensure your child attends on time and are prepared for these assessments which will be conducted under exam conditions in the Sports Hall.

Thank you for your continued support.

Mr Martin Knowles
Principal Designate
