Visual Arts College

PE Kit Policy

All pupils are expected to wear the correct PE kit for all lessons.
If your child is unable to take part in a physical way, they are still expected to bring their kit as they will participate in the lesson as a coach or an official. This means that they are still involved in the lesson along with the other pupils.

If your child cannot bring the correct PE kit then please send them into school with an alternative kit which is appropriate for their lesson, with a note to explain.

If your child attends their lesson without a kit or note then they will be issued with a departmental detention and you will be notified by letter that they have failed to bring appropriate kit.

| Girls Kit | Boys Kit |
|---|---------------------------|
| White polo shirt | Black/Gold reversible top |
| Black shorts, leggings or tracksuit Bottoms | Black Shorts |
| Black Jumper | Black tracksuit bottoms |
| Black or white socks | Black/Gold socks |
| Trainers | White polo shirt |
| | Trainers |
| | Football Boots |

Buile Hill

Visual Arts College

All girls will be taking part in hockey and will need a gum shield and shin pads for safety reasons. They may also be doing some rugby and football and will also need them for these lessons.

All boys must make sure that they bring shin pads for football sessions and a gum shield for rugby lessons. Some of the boys will also be doing hockey and will need both of these.
