

True Buile Grit!

Mr Prendergast and Mr Robinson's mammoth MAMIL (middle-aged men in lycra) bike ride.

Two of our staff members are raising money for The Christie. On Sunday 8th July in intense heat they cycled from Salford Quays all the way to Blackpool, a trip of just under 66 miles which took them 6 hours.

They are still accepting donations to their cause, so if you feel you want to help then please go to their 'JustGiving' page.
